PROGRAM SERVICE GUIDE

Spring Lake Extended Day Program

21st Century Schools
Tazewell County Health Department

Out of School Time Programs

*Making a difference—
Where we live, where we work,
and where we know kids by name.*

Welcome to 21st Century Schools

The Tazewell County Health Department, in cooperation with Spring Lake School, is proud to offer the Extended Day program. This after school program is housed at Spring Lake School and is administered by the Tazewell County Health Department's Community Health Division.

The Community Health Division's 21st Century Schools program provides before and after school services in several schools throughout the county.

Program components focus on academics, life skills education, parental involvement, service learning, positive adult mentors, physical fitness and cultural activities.

The program at each site is administered by 21st Century Schools staff which consists of a Site Coordinator and support staff.

Extended Day Information:

This structured child care program is open to all students enrolled in Spring Lake School. The program is offered afternoons each day that school is in session. The daily program includes an afternoon snack.

Programming may include small group activities, homework/reading time, crafts, and supervised play.

The Extended Day program operates on a pre-arranged basis. In order to provide adequate supervision, food and supplies, children must be pre-enrolled in the program. Payments for services are due in advance.

Each Friday, payment and schedule of attendance are due for the following week. The rate for afternoon sessions is \$9.00 per day.

Early Dismissal Days:

On early dismissal days, students may stay after school and enjoy special activities. The afternoon rate for early dismissal days is \$17.00 with snack included. Interest forms for early dismissal days will be sent home with students throughout the year.

Enrollment Information:

Parents must complete registration forms located in the Parent Handbook prior to the student attending the program.

Parent Handbooks can be obtained at the school office or from the Site Coordinator.

Students will not be enrolled in the Extended Day program until all required program paperwork, first weeks pre-payment and schedule is received.
